

Bale Squeeze for Recyclables

For Wheel Loaders & Toolcarriers
Telehandlers, Front Loader Backhoe

Handle a variety of recycled bales with Dymax Hydraulic Bale Squeezes!

Dymax Recycled Bale Squeezes are ideally suited for handling a variety of recycled bale materials e.g. cardboard, paper/plastics.

Available as direct mount pin on models or equipped with coupler hooks to work with the **Dymax coupler** or other popular coupler models.

Models are designed around each application and materials being handled.

The **Dymax Recycled Bale Squeeze** is equipped with two hydraulic cylinders which provide superior power. Optional hydraulic rotating models are available if specified.

Contact **Dymax Sales 1-800-530-5407** for more information and let Dymax build your next custom squeeze
