

LANDFILL DOZER BLADES

FEATURES

- 30° wing angle.
- Includes replaceable OEM brand cutting edges.
- Fits factory outside mount push arms.
- Includes standard rack assembly.
- Custom configurations available.

OVERVIEW

Dymax Landfill Dozer U-Blades dig, doze and move more refuse than standard dozer blades. Dymax has the ability to build Landfill Dozer Blades for all type of dozers.

All Dymax landfill blades feature a top track that provides operators with excellent visibility while working in the landfill.

Available for Caterpillar, Komatsu, John Deere and Liebherr Crawler Dozer and Track Type Tractors.

The Balderson Family has been building dozer blades for more than 70 years. It's in our DNA.
