

ROTATING QUICK COUPLER FOR GRADALL EXCAVATORS

Toolbar Attachment
Bolt-on interface for railway or utility applications such as ballast clearing blades.

Rotator
High strength
Up to 5 ports
40 GPM

Pin Grab Quick Coupler
Positive Locking design

OVERVIEW

Fits: Gradall excavators
Rotation: 360° continuous
Tilt: None
Hydraulics: Requires only 1 auxiliary circuit
Coupler Lock: Hydraulic or Manual
Functions: 1 or 2 circuits (5 lines) below, subject to coupler lock
Installation: Wire cable kit + drain & jump lines

What it is?

The Dymax Rotating Coupler adds full 360° rotation to Gradall Excavators, working seamlessly with the machine's built-in 220° boom tilt. No tilt is required in the coupler itself, so you can get more done with fewer adjustments.

APPLICATIONS

- **Railway Maintenance** - Handle tools and attachments on or off track.
- **Municipal and Utility work** - Ideal for mowing, ditch cleaning, and roadside work.
- **Forestry and Land Clearing** - Rotate grapples and tree shears with precision.
- **General Construction** - Grading, trenching or material handling tasks.
- **Demolition** - Superior access in confined spaces.

KEY BENEFITS

- 360° continuous rotation.
- Uses factory auxiliary hydraulics.
- Custom Dymax valve for secure locking and proportional control.
- No tilt needed - Gradall handles that.
- Simple bolt-on toolbar attachments for odd jobs.

Model Code / Group No. Description	Rotation Degrees	Weight (lbs)
DX-QC-PGH-360GRADALL-HX-14/18T ; 7210D2 Quick Coupler-Pin Grab Hydraulic-360 rotator Gradall compatible	360	1,470
STANDARD FEATURES: Full 360° continuous rotation system • Hydraulic camlock pin grab coupler compatible with Gradall standard attachments • Proportional multifunction control valve with control group • Toolbar interface (<i>toolbar attachments sold separately</i>)		
INSTALLATION REQUIREMENTS: Dealer to install control group from coupler to cab.		
Options: Manual locking coupler, Cat A Link (65MM) compatible Toolbar Attachments: Ballast rake, ballast blade, lift hook		

Design and specifications are subject to change without notice.
